

Abbey Catholic Primary School

Amj/h/ltrs to parents

12th November 2015

Dear Year 6 Parents,

On Tuesday, November 17th 2015, your child will be receiving Relationships Education in line with the Diocesan 'All that I am Programme'. Lessons are planned in detail by the Archdiocese and are in line with the teachings of the Catholic faith.

In Year 6, the children look at the road ahead e.g. transfer to secondary schools and friendships. The children also explore changing bodies as part of the science curriculum and are taught;

- Changes during puberty for both boys and girls
- Hygiene and Self care

Mr Harris (SRE leader) will be available to talk, as a drop in session, to any parents that wish to discuss this on Monday 16th November 2015 at 8.15am.

Please inform the school office if you will be attending.

Regards

Mr Harris
