

5th May 2017

Message for Year 3 Parents Only

With effect from Monday 8th May 2017, Year 3 children will be taking part in Gardening (every Monday afternoon) and Forest School Activities (every Wednesday afternoon) for the remainder of this term.

All children will need to have suitable clothing/footwear in school on Monday's and Wednesday's (these can be left in school if you wish), which they can change into, so that their uniform does not get messy.

Thank you for your support with this.
