Message for Year 5 & Year 6 Parents Only
E-Safety Session – Thursday 18th May 2017

Keeping our children safe online is vitally important with today's technology and we need to continue to educate our children about how to behave online and to be safe.

To support our teaching in school, PCSOs from Erdington Police Station are coming to school to run some workshops to re-enforce the importance of staying safe online.

They are offering a morning and afternoon parent session on Thursday 18th May 2017 in our school hall at 9am and 2:15pm. (sessions should last approximately 45 minutes).

We encourage all parents to attend these sessions.

Please return the slip below indicating which session you can attend so that we are able to confirm numbers to them as soon as possible.

Enter school via the middle gate for these sessions.
