

Chaplaincy Team Shoe Appeal

On Thursday 20th July we will be collecting old shoes for 'Sals Shoes'. Sal's charity, sends these shoes to children who need them around the world.

Please send in old school shoes on this day that your child has outgrown. Please tie these together with an elastic band/cellotape and tape £1 to the bottom of one of the shoes (£1 per pair). This will help pay for the shipping to their new home.

Children can wear trainers on this day if old school shoes are being donated.

Thank you for your support.

(If your child has other footwear they have outgrown please feel free to also send these in, wrapped with an elastic band/cellotape with £1 per pair).
