

The Abbey Catholic Primary School

Acceptable Use Policy for Children in School

Approved: June 2017
Review date: June 2019

Using electronic equipment in school.

- I will treat equipment with respect.
- Be polite and show respect when communicating with others.
- Keep my personal information secret (including passwords).
- Report any unpleasant messages/ inappropriate websites to a member of staff.
- Not get involved in cyber-bullying.
- Only visit websites suitable for children my age.
- I will only delete or open my own files.
- My computer use in school is monitored.
- I will use my login only.

Parents and children sign to agree with these in the Home School Agreement each year and this rules are displayed in the Digital Learning Hub.

Children will be reminded of these rules regularly in lessons which utilize digital equipment. It is the adults responsibility to monitor the use by the children throughout the lesson to ensure that children are complying with the rules.
