## PROGRAMME OF STUDY

## TEACHING STRATEGIES

**C1** Take part in celebrations which express thanks and praise.

**C3** Hear about the Church's celebration of Sunday as a special day.

**C8** To use their own words for prayer.

Recall Nursery work on Advent as a time of getting ready.

Introduce the children to the Advent Wreath just before Advent begins.

Children to talk about what they can see on the wreath. What are the features that they like?

Talk about the four candles around the wreath as markers of the four Sundays leading to Christmas.

Tell the children a special story about the lighting of the Advent Wreath in Church on the four Sundays. Build up the story to develop the children's sense of expectancy.

Light the first candle on the first morning in school following first Sunday in Advent. Explain to the children that we are at the very beginning of the season. We have only just begun!

Remind the children that each time we light the candles we think that we are preparing for a very special event, the birth of Jesus.

Have a focus on number four.

Practise grouping objects in 4s – threading beads in patterns of 4 – in Advent 4 can play in the sand.

As the weeks of Advent progress change the focus for each week to emphasise that this is a special preparing time. Week one is tidy week, week two is quiet week, etc. Explore with the children some reasons why they might consider preparing for Christmas to be important.

Create a display of their reasons for preparing for the birth of Jesus.

Help the children to create some different "preparing prayers" which could be shared in a liturgy. You might make these in the shape of candles or the Advent Wreath.

Learn a range of Advent hymns and songs about being a season of preparation.

Reflect at the end of each week within a liturgy how well they have achieved their different preparations.

The final week of Advent will overlap with Christmas theme.

## LEARNING OUTCOMES

**C1** That celebrations express thanksgiving, joy, unity and love; of the major feasts and seasons of the liturgical year.

Know that celebrations are important and will be able to take part in celebrations that prepare us for this special time

**C3** That Sunday is a special day of celebration for the Church. Advent is a special waiting/preparing time for the birthday of Jesus

There are four special Sundays in Advent leading to the celebration of the birth of Jesus and that the four candles on the Advent wreath represent the four Sundays.

**C8** Of how to pray together; that they can speak to God in formal prayer and in their own words.

Know that Advent is a special season of prayer for Christians.

Be able to join in and write some Advent prayers.

## FURTHER DEVELOPMENT

Maths links very appropriate.

Make sure that the children are aware of the Advent display in the classroom. Encourage the use of the display and the focus for quiet times of prayer.
