We enjoyed the singers they were a lovely touch to the Sunday morning mass And Reception children invited to the front to welcome them all was lovely too.

A lovely welcoming, informal event to celebrate the reception joining the school and also an opportunity to meet other parents and children from my child's year group.

Enjoyed the welcome Mass well and meet and chat with other families too

3. How could we improve the event for next year?

preat success reception reception children faith reception parents families and children sir cakes event good maximum numberchurch service maximum numberchurch service faith reception parents sure reception families today

Invite the musicians, I believe it was a happy coincidence they were playing today.

Sir reception children together during the church service

Nothing- a great success.

All went good and well organized.

To make sure maximum number of reception families and children to attend the event.

Nothing really, it was a lovely morning. If I had to be picky, I'd say maybe asking reception parents to agree beforehand which items they were bringing to the faith teathere were so many cakes!

I Like it as it is.

Schools' response:

Thank you to all of the families who took the opportunity to join us for this fabulous event. We are an open and caring community and this will be the first of many opportunities for us to come together during your child's 7 year journey through school.

We loved the musicians too, Fr Kieran worked tirelessly to ensure they were there on the day. A happy coincidence it was not!

School continue to promote and encourage full engagement with school life.
